"You Have No Idea How Swell!"

That's How Sergeant Smith Described Home

By BOB BAKER

Sergeant Jack Smith, winner of two medals for heroism in the European war and Daly City's first war hero to return home, described his homecoming simply by saying, "It's great to be back here; you have no idea how swell it feels to be back!"

Jack, who is a flight engineer and top gunner on an Army bomber and a veteran of the war in Europe, is staying with his wife and daughter at his home, 474 Bellevue avenue, while awaiting further orders of his transfer to a new air base. He has been visiting here in Daly City for the past two weeks.

Twice decorated for two different citations of heroism, Jack was awarded the Silver Star following a bombing mission over Europe when his plane was damaged badly in what he describes as his "closest call." The other decoration was the Soldier's Medal, awarded in Egypt after the Daly City youth helped bring down and wounded from a burning airplane which was struck by a huge four-motored bomber as it crashed.

Describing it here, the latter incident is passed off lightly by Smith, saying that "there was no particular heroism attached to it."

"After I heard the crash, I went over there, and I met a corporal

Jack Anderson At Luncheon Meet

Taking time off from his current Congressional investigation on the Pacific coast, Representative Jack Anderson addressed a large crowd of local citizens at a luncheon meeting, yesterday, at Shorty Roberts Drive Inn on Junipero Serra boulevard.

An informal discussion of conditions here and in other parts of the nation and the effects of the war was held during the noonday meeting. It was an opportunity for many local people to see Anderson and ask him questions on current issues. The meeting was part of a three day tour Anderson is making in his district. Similar meetings have been planned for him with community leaders in other cities in his district.

Daly City-Colma Lions club attended the open luncheon meeting as a part of their weekly program.

Give Local Board Control Of Prices

Retail price ceilings of merchants in Daly City, Colma, South San Francisco and other cities in the area of War Price and Rationing Board No. 83-12-3 will now be controlled by the local board, it was announced by the OPA today.

Authority to effect compliance with the local board on price ceilings of retail merchants was given by Francis Carroll, San Francisco District OPA director, during a special meeting last week. Boards in the San Francisco area are being used as test cases for installation of local board control in all rationing boards.

A special price panel in the local board, appointed by Miss Genevieve Blue, secretary, will make investigations of all complaints filed against retail merchants.

Hearings will be held and further enforcement will be directed to higher authorities in cases where it is warranted. The price panel here, made up of South San Francisco people at present, may be increased soon to represent all communities in the board area, Miss Blue said. Members are as follows: Louis Bagnall, Mrs. Virgil Ringue, and Jack Hickey.

Bodien Issues Appeal For Canes For Wounded

Canes are badly needed by our armed forces for crippled soldiers, sailors, and marines, who have been wounded in battle. A serious shortage of them has been reported by both naval and military medical corps.

Donations from civilians are being accepted for the armed forces through the Daly City Civilian Defense organization here. Anyone in Daly City who has canes he can give is asked to take them to civilian defense headquarters at the city hall, it was announced by Arthur J. Bodien, local director.

"Small Fry" Take To Stealing Money

Confessing to Daly City Police, Saturday night, that they had stolen money from the home of Mrs. Herman H. Wolff on Junipero Serra boulevard, two small Daly City boys, one, 8 years old, and the other, 10, were taken to San Mateo County juvenile authorities in Redwood City, this week.

Approximately \$35 in cash, most of which is in coin, is missing from the house, Mrs. Wolff told police when she reported the theft, Saturday. The boys told Police Chief James G. Reardon they didn't know how much they had.

Entrance to the house was gained through a window which had been broken previously and had a board over the broken pane. Acting on a suspicion of their guilt, police took the boys into custody shortly after the theft was reported. Both boys have former records with Daly City police. Although one of the boys did not readily admit his guilt, he later confessed after officers found \$3 in currency in his pocket.

Chief Reardon announced that the boys are being turned over to the custody of the county probation office, prior to their hearing in juvenile court.

How Many Bonds Have You Bought?

With little more than a week remaining in the nation's Second War Loan Drive for Americans to buy war bonds, John Degliantoni, local chairman of the drive, appealed to every wage earner in this community to do his share by buying bonds at either bank here.

Both windows in the Daly City branch of the Bank of America, 6298 Mission street, or the Colma branch, San Pedro road and Rainier avenue, are the proper places where local subscribers should go to purchase their bonds. To those in Daly City and Colma who have not yet subscribed for war bonds, the local committee appeals for purchase of the bonds during the current drive. To those who have already bought bonds, the committee urges them to buy more bonds—and keep buying them!

Designed to fit the purse of everyone, the Treasury department offers a wide variety of government securities and bonds purchasable by anyone earning a wage. Degliantoni pointed out. From the Series E War Bond, with a denomination of \$25 up to \$1000, to the larger investments in government securities or Series F and G bonds, the purchase can be made for any type of bond they can afford, starting at a cost of \$18.75.

"We don't expect to see many of the larger bonds purchased here in this community," Degliantoni said in discussing the campaign in Daly City and Colma, "but what we do expect to see is a lot of the smaller bonds bought, because everyone can afford them and there is no better investment."

"The drive here is for the wage-earner, and we hope to see all of them get behind the drive by subscribing."

Pacific Gas And Electric Employees To Take Over Utilities During Raids

Move Will Free Arthur Bodien, Director For Coordination Of All Protective Services

Civilian defense forces and the control center personnel in particular were bolstered, Thursday, as nine employees of the local branch of the Pacific Gas and Electric company took over the utilities service in Daly City.

Activated by a recommendation from Albert H. Baker, field director for the State Council of Defense, that Arthur J. Bodien, local director of civilian defense, be freed of utility duties during a drill or actual raid, the Civilian Defense Council met with the P. G. and E. delegation, Thursday, and turned over the duties to them. Bodien must be free of all telephoning and paper work in the control center to give him time to co-ordinate all services, Baker told the council.

Ernest Rutter, manager of the local branch of the P. G. and E., and Don Hodges will be co-ordinators for the utility service, and will notify utility control center personnel of any meetings or alerts.

Following are the members of the utility service: Harold Bohn, service chief, 444 Bellevue avenue; Albert Ambrosio, 343 Citrus avenue; Harold Caffie, 687 Hanover street; James B. Hughes Jr., 134 Moltke street; Stuart Smith,

816 Templeton avenue; Walter Flowers, San Francisco; and Robert H. Chapman, San Francisco.

A recommendation of the federal-state inspection team which viewed the recent city-wide drill here and was termed by Baker as "most important," the appointment of a bomb disposal agent in the control center, was made by the council. Roland A. Petrocchi, officer of the Daly City Police department and member of the bomb reconnaissance squad, will be in charge, Bodien said.

Acquisition of more telephones for the control center was in progress by Bodien this week. An appeal to the city council was made, Monday night, at their caucus meeting, and local authorities were expected to contact the Pacific Telephone and Telegraph company this week.

Another recommendation, the addition of more ambulances, still went without action, this week, and the serious shortage of machines for ambulance duty continues. Anyone having a delivery truck or station wagon which could be used as an ambulance in an emergency was asked to register it with civilian defense headquarters in the city hall, 75 Wellington avenue.

Auxiliary Policeman Stops Dimout Violator

Herman Louis Cardona, San Francisco, will appear before Judge William J. Sweeney's municipal court at 2 p. m., Friday, April 30, to answer charges of disturbing the peace and interfering with auxiliary police duties, which led to his arrest, Sunday night.

Complaining witness against Cardona is Auxiliary Police Officer A. Arata, who signed a complaint against Cardona after calling for Daly City Police officers to arrest him. Arata, on dimout patrol at Mission and Como streets, Sunday night, stopped a car with bright lights on. Cardona, who was a passenger in the machine jumped out of the car and started to argue, police said. He used profane language and abused the whole group of auxiliary officers there, according to the report.

Regular Officers George Hopman and Joe Kusber brought Cardona to police headquarters where he was booked on the charges. He was released, Monday, on payment of \$50 bail, to appear Friday, April 30.

San Jose Gains Only Slim Victory

Two outfield errors allowing two runs to come in and a long home run enabled San Jose high's defending champions of the PAL baseball pennant to gain a slim victory over a fighting Jefferson nine, Monday, at the Jefferson diamond by a score of 4 to 1.

After whitewashing Burlingame high school by a count of 21-0 and repeating the performance against San Mateo, 17-0, the highly touted San Jose outfit found the going tough against the Indians from Jefferson. The game was a test for pitching strength, with San Jose's Burgis and Jefferson's southpaw, Bill Freeman, waging a bitter duel. Burgis turned in the winning performance by holding the Jeffs to three hits and striking out six men, while Freeman allowed only five hits and struck out nine batters.

The home run off the bat of San Jose's first baseman was reputedly one of the longest hits on record on the Jefferson diamond. From home plate the ball travelled over center field and nearly reached the school building in deep center.

Senior Wardens Discuss First Aid

Twenty-two night senior wardens and five day senior wardens attended the regular business meeting for air raid civilian defense leaders, Friday evening, April 16, at the city hall. Chief Air Raid Warden Harry Melicker presided.

At the meeting it was announced that one of the major oil companies would supply film and equipment of stirring war movies if 25 or more persons would agree to attend. It was also announced that the P. G. and E. would provide a lecturer on the repair of household electrical equipment if 25 or more housewives would signify intention of attending.

Two guests were present at the wardens' meeting, Councilman Edmund Cavanaugh and R. L. Crane Jr., head of first aid instruction in Daly City. Crane told the group that there were now sufficient instructors to give first aid lessons to all who might require them.

Mrs. C. E. Dotson reported that more than 25 persons have signed up for a first aid class to be given in the near future. Other wardens or civilians interested in this instruction are advised to call Mrs. Dotson, DElaware 9178 to enroll.

Discussion of the recent city-wide drill revealed that the wardens need more familiarity with the location of Daly City streets.

All senior wardens were advised to appoint an assistant senior warden at once and to notify Mrs. Dotson, DElaware 9178, of the assistant's name, address and phone number.

Next meeting for senior wardens, day and night, is set for Friday, April 30, at the city hall, 75 Wellington avenue.

How Many Bonds?

(Continued from Page 1)

ond War Loan Drive can be stressed on the need for those who have subscribed before to continue to buy bonds. To the question "how many bonds should one buy?"—the answer is "how long do our soldiers, sailors, and marines have to keep fighting?" Bonds should be bought until Victory is won.

NOW AT DALY CITY THEATRE

"MY MOTHER THANKS YOU, my father thanks you, my sister thanks you, and I thank you." James Cagney in the role of George M. Cohan gives the curtain line that was nationally famous. Others in the cast of "Yankee Doodle Dandy," now at the Daly City theatre, are Rosemary DeCamp, Walter Huston and Jeanne Cagney.

"... AND FOR CONSISTENT ABSENTEEISM, MISS FOLSOM, THIS TOKEN OF APPRECIATION - DIRECT FROM BERLIN."

"Yankee Doodle Dandy" Plays Here

No one's life makes so dazzling a story as that of a showman and there's no greater showman than George M. Cohan. Warner Brothers' film, "Yankee Doodle Dandy," which is currently playing at the Daly City theatre, tells the story of his exciting career. The whole glittering show-world is brought to life in the lavish production.

George M. Cohan is played by the inimitable James Cagney, who doesn't try so much to look like Cohan as he does to imitate his manner of speaking, singing and dancing. The picture starts when Jerry Cohan, portrayed by Walter Huston, breaks away from his "Irish Minstrel" act of the Fourth of July, long enough to join his wife, Nellie, played by Rosemary DeCamp, who has just given birth to a baby boy. At first they are at a loss for a name, but the doctor suggests George Washington, because it was Independence Day. But Nellie thought Washington was too long for the billboards, so they compromised on the good old Irish name, Michael.

George was only out of rompers a few years when he joined the act that barnstormed every town that was large enough to have a theatre. Sometime later, his sister Josie, portrayed by Jeanne Cagney, made her worldly debut and when she was old enough to be trained, she became known as the youngest skirt dancer in America, and the act itself gained nationwide fame as "The Four Cohans."

Some time passed and one day, while the Cohans were playing in Buffalo, Mary, played by Joan Leslie, a young girl, stage struck and eager, comes to George after the performance. He takes an interest in her and offers to help her toward her career, but later finds out that he'd rather have her become Mrs. George M. Cohan than an actress, and she agrees with him.

The picture is replete with Cohan music and grand production numbers. "Mary's A Grand Old Name," "Give My Regards To Broadway," "Over There," "You're A Grand Old Flag" and "The Yankee Doodle Boy" are just a few of the fine tunes that will bring a touch of nostalgia together with an urge to join in the singing.

"Yankee Doodle Dandy" has a superb supporting cast which includes George Tobias, as a wise-guy theatrical producer, Irene Manning, as the Gay Nineties heart-throb, Fay Templeton, Frances Langford, Eddie Foy jr., as his father, and many more.

EASTER

Only once before in the century has Easter come so late. The pilgrims of old, having no street lamps, depended on the full moon for lighting their ways to festivals! So astronomy leads the church in declaring the annual date for Easter.

That first Easter made the Master Christian, the son of a simple carpenter, the greatest man who ever lived. It made him the Truth-giver, whose teachings have become the basis for all law and liberty in the civilized world. It made him "the light of the world."

How well the great Nazarene knew that Truth is eternal, that it is the seed within itself, which the brutality and ignorance of men cannot kill. Knowing this, he rolled away the stone from the attempted burial of spirituality and gave to mankind the certainty of eternal Life.

In spite of all the darkness over the face of the earth this Eastertide, Truth lives on in the hearts of men. It says to those who would look down into the tomb of materiality for hope—"Truth is risen." No stone of totalitarian hatred is heavy enough to hide it long.

Christian civilization believes in the individuality of men, in the right of men to "life, liberty, and the pursuit of happiness." Christian education teaches men to think for themselves. It teaches mercy, honor, uprightness. The teachings of true Christianity are neither morbid nor fanatical, but healthy, happy, and alive with practical goodness.

More than ever before in history, men and women of the Christian world are finding anew the true meaning of Easter. And though we celebrate it with swords, we can remember the words of the teacher in Galilee—"I came not to bring peace, but a sword." And we know, as he knew, that we cannot sheathe that sword until the world is safe for the happiness of men.

Victory," by not only buying War Stamps as is their weekly practice but also clearing enough land in the lot adjoining the school to begin individual Victory gardens for the eighty pupils who are members of the seventh and eighth grades.

The activity is an outgrowth of the units on "Conservation" and "Foods." All the work is being done by the students themselves.

Sharing and experiencing are being promoted through the excellent organization and supervision of the teachers.

Clarence Fahey, caretaker at Crocker school, has assisted the boys in measuring and carpenter work, as well as painting an attractive professional sign "Crocker Victory Garden—Keep Out." To further enhance the well planned Victory garden, the foreground is going to be terraced with colorful floriculture. The activity is being organized and supervised by Miss Mabel Vireno, social science teacher, and Miss Marjorie Tobias, principal.

Room 6

During Easter Week, the following Crocker children of Room 6, seventh grade, are planning to visit friends and relatives.

Howard McCarten will go to Burbank to visit his uncle and aunt. Later he plans to visit his great uncle in Los Angeles.

Mary Lee Lund intends to visit friends in Santa Cruz. The friends are planning a big Easter party.

Eunice Robertson will visit friends in San Carlos.

Ruth Ann Calvin, with other members of her girl scout troop, will visit the Spreckles creamery during vacation week.

ROOM 2

Row the people of Eastern Canada make their living was demonstrated with lantern slides shown pupils of Room 2, recently.

ABOUT TOWN

Birth of a daughter to Mr. and Mrs. Albert A. Fraumeni, Daly City, was recorded, April 9, in San Francisco.

Mr. and Mrs. Wilbut L. Clark, Daly City, have announced the birth of a daughter, April 8, in San Francisco.

Friends of Mr. and Mrs. Avery E. Sanner, 82 Partridge lane, are congratulating them on the birth of a daughter, born April 7, in San Francisco.

Mr. and Mrs. Nathan Pearlman, 104 Los Olivos avenue, are the proud parents of a son born, April 4, in San Francisco.

AT JEFFERSON

In addition to the patriotic activities that have been in full swing since Pearl Harbor, a school Victory garden has been started. A piece of land across the street from the school has been cleared of weeds and subdivided into plots where seventy children of upper grades are preparing the ground with rakes, hoes and shovels. The property, being 216 feet by 75 feet offered ample space to any pupil who wanted a plot.

Dads, too, were brought into the picture by enthusiastic sons and daughters. One hauled away the piles of weeds that had been cleared from the ground; another brought his tractor and plowed the field; another offered to bring a truckload of fertilizer while still another has volunteered to furnish a variety of seeds and young plants to those who wish them.

With such a start, Jefferson students hope to have a Victory garden that will produce many an 'Oh' and 'Ah' when the results of their efforts begin to push their way above the soil.

Some of the vegetables to be grown are lettuce, carrots, tomatoes, onions, celery root, turnips, spinach, beans and Swiss chard.

AT WOODROW

Room 4

Jimmy Vegas, a new pupil at Woodrow Wilson, has enrolled in the low eighth of Room 4. He comes here from Oakland.

Room 15

The boys and girls who are reading "Pioneers and Their Children," have been making covered wagons, baby cradles and rafts. These are being constructed in miniature to demonstrate the possessions of the early pioneers.

Room 8

Henry Munksguard, formerly of Aptos junior high school, has entered Room 8 as a high seventh pupil.

Nelson Eddy Comes To S. F., April 27

Nelson Eddy, idol of opera, screen and radio, whose spectacular breath-taking career is one of the sensations of the American stage, returns to San Francisco as one of the two remaining attractions appearing under the sponsorship of the San Francisco Opera association for April. Eddy will sing at the War Memorial opera house, Tuesday night, April 27.

Eddy's struggle to ascendancy is another Horatio Alger story. Born of Puritan background in New England, he struggled through various jobs on a newspaper. In the meantime, he took a "correspondence" course in music. His first chance came in Philadelphia when he won a competition, the prize of which was to sing the role of Amonasro in "Aida." His first appearance determined his success.

In rapid succession, he sang various roles in light opera, then scored successes in the concert field, radio and motion pictures.

The second of the April attractions is the dynamic team of duopians, Vronsky and Babin, whom critics acclaim as the most brilliant two-piano team of the generation. Well known from their appearances on the radio and with the New York Philharmonic as soloists, in private life this team is Mr. and Mrs. Victor Babin, and live in a small town named Tesunque in New Mexico.

Vronsky and Babin will be heard in concert at the Curran theatre, Sunday, April 25, at 2:30 p. m.

Tickets for these two outstanding events may be purchased at the Opera House box office, Sherman, Clay and company, EX-brook 8585.

P. G. & E. Meets All War-Time Demands

Notwithstanding the large increase in power requirements of the different war industries that have grown up in northern and central California almost overnight, Pacific Gas and Electric company has met every demand for either gas or electric service that has been made upon it. This was the statement of P. M. Downing, vice-president and general manager, at the annual meeting of the company's stockholders at the company's general offices in San Francisco, April 13. The supplying of electricity virtually anywhere within the territory in any quantity desired has continued steadily in the face of the cry of "power shortage." There has been no curtailment of service to the civilian population.

Furthermore, with the completion of new power production facilities now under construction, the company will be in position to meet any additional demand that may develop in the immediate future.

Downing reported that as of April 1, 2140 employees had left the company for the country's armed services. A few employees have quit to go into shipbuilding and other war industries, but most of these were either temporary workers or had short service records. Of the regular operating employees, 74 per cent have been with the company five years or more, and 58 per cent have been with it for ten years or more.

READING & WRITING

BY Edwin Seaver AND Robin McKinnon

"HITLER is a man with whom I can work, if necessary, but with whom I can never have a meeting of minds." The speaker is Mussolini, the time, 1934.

JOHN WHITAKER

"Suppose," foreign correspondent John Whitaker asked Il Duce, "suppose Germany is so strong three years from now that no aggregation of powers in the world can stand against her? What then for the future of Italy?"

The little man sprang from his desk and shook his clenched fist in Whitaker's face. "Ah, in that moment," he said, "Italy will be the ally of Germany."

John Whitaker's new book, "We Cannot Escape History," is a keen analysis of the living history of the past decade, witnessed for the most part firsthand. Since 1937 the author has been roving correspondent for the Chicago Daily News and the N. Y. Herald Tribune in Europe, the Near East and South America. He was expelled from Italy in 1941. He was one of the few who predicted Germany's invasion of the Soviet Union.

The title of his book is from one of Lincoln's speeches: "Fellow citizens, we cannot escape history. . . . The fiery trial through which we pass will light us down in honor or dishonor to the latest generation. . . . We shall nobly win or meanly lose the last best hope of earth."

Whitaker holds that the statesmen who closed their eyes and "tried to escape history" are every bit as guilty for the present crisis as the Hitlers and Mussolinis, the fifth columnists and the traitors.

Here's an underground story from "We Cannot Escape History." Clendenning Robertson, of the American Red Cross, went to a Paris restaurant where it was said that one could eat well despite the ration system. The waiter shrugged his shoulders and said that he had nothing to serve. Robertson finally persuaded him to prepare an omelet. After one bite of obviously spoiled eggs, Robertson put down his knife and fork and called for the manager. "I've been working for months with the American Red Cross," he said. "We have brought milk and bread to your children. Here I come in and ask you for a meal and you serve me rotten eggs."

The manager cuffed the waiter. "Imbecile!" he screamed. "I've saved them eggs for weeks in order to serve them to a German."

To show how goodness and dullness are often confused in the average mind, Harry Emerson Fosdick, in "On Being a Real Person," quotes this schoolgirl's essay on the life of Queen Victoria: "When Queen Victoria was coronated, she took as her motto 'I will be good.' She followed this motto persistently through a long and tedious life."

AT JEFFERSON UNION HIGH SCHOOL

By VERA MORESCO

JINX

On Friday, April 16, the seniors presented their Jinx under the title of "The March of Time." It was about their past years spent at Jefferson. All seniors took part and they deserve a hand for putting on such a good show.

Walt Cavagnaro did a very good job as narrator. We didn't know Alfred Parodi, John Hernan, and Jean Pidgeon could sing so well.

It ended by the entire cast singing their own words to "Thanks For The Memories."

BLOCK J

The fights sponsored by the Block J society, Monday night, April 12, were well received by the parents and students who attended. The following boys were winners of the tournament in which about 75 boys competed: 90-109 Trussell Nunn, (TKO 2nd round); 110-119 George Cordellos, (dec); 120-129 Clayburn Thompson, (dec); 130-139 John Rerecich, (dec); 140-149 Bob Bybee, (dec); 150-159 Tom Callan, (dec); 160-169 Rod Dawe, (forfeit); 170-over Ralph Capps, (K. O. in 2nd).

Officials presiding were: referee, Vern Bybee; judges, Howard Miguel and John Harville; timer, Truman Bentley.

EXECUTIVE BOARD

The regular meeting of the executive board was called to order, Tuesday, April 13, at 8 a. m. by the president, Ralph Capps.

The minutes of the previous meeting were approved as read. Old business—Ralph asked Mary if the G. P. A. L. Constitution was ready. Miss Seidel stated that she gave it to Miss Claire Nace to check over and that she will have to see her about it.

Elsie Belli will have her songs and yells together for the yell book, soon.

New business—the members of the executive board were asked to turn in a copy of their grades to Dorothy Nelson, the secretary. Members have one week to make up grades lower than C- and at the end of that time if grades are not made up they shall be removed from office.

Ralph asked if the class president had anything planned to boost stamp class sales. Walt Cavagnaro replied to this by saying that nothing was being planned.

TREASURY FLAG

Two big days for Jefferson! On April 14 the Treasury Flag arrived at Jefferson Union high school. It took a long time, but they did it! For her splendid work in trying to boost sales of stamps and bonds, which made it possible for Jefferson to get the flag, Miss E. Smith, a teacher at Jefferson, was presented with a beautiful corsage, which was well-deserved.

The next day the Treasury Flag was dedicated. The ceremony was opened by President Ralph Capps, followed by the dedication by James Ferguson, the principal.

A resolution was made to keep it waving until the war was over and it is going to be kept!

The ceremony was closed by a pledge of allegiance to the flag.

INTER-CLASS CAMPAIGN

Last week marked the climax of another inter-class campaign for the purchase of bonds and stamps at Jefferson. This time the money was for the purchase of Jeeps in the nation-wide campaign in which any school is eligible. The Jeeps cost \$900 each and from March 1 to April 16 the high school took in \$6,201.35 which is enough for six and nine-tenths Jeeps.

The totals for the classes from high to low during the last week were: juniors, \$1,394.50; sophomores, approximately \$724.85; freshmen, \$435.85; and for the seniors, \$316.70. This was a grand total of \$2,879.55 for the week. The students have done a wonderful job in the last month and a half. The spirit shown is the sort of thing that will win this war!

MUSIC

The music department is staging a pay assembly, April 29, and the money is to be applied on the cost of the band capes. The highlight of the program is to be the "Ballad for Americans," by John Latouche and Earl Robinson. The leading parts are taken by Vivian Thorsen, Pat Morocco, Jerry Martin, Ralph Capps, and Ken Hatt. This cantata was presented at the high school during Public Schools Week.

Some of the other choral numbers will be "The Psalms," "The Holy City," "Praise Ye the Father," and "Cast Thy Burden Upon the Lord."

The band, also under the direction of Oscar Busch, will play one or two numbers.

ABOUT SCHOOL

Shirley Rice has been appointed the new entertainment committee chairman. She is taking the place of Ken Ruffo.

The Block J Jive and Junior Jinx will be held, May 7. Tickets will go on sale Monday, April 26. On April 28, William Feole's

Spanish class is putting on an assembly which will be free with the purchase of a war stamp. When you buy your stamp don't forget to ask for a ticket.

Traditional Easter Sunrise Services Are To Be Held

Easter will be observed traditionally in San Francisco with the twenty-first annual Sunrise Easter Service on Mount Davidson commencing at sunrise, 6:22 a. m. with the prelude by the San Francisco Municipal band under the leadership of Philip Sapiro.

Arrangements are being completed to have the cross lighted for a half hour before sunrise and to have the Boy Scouts of the districts around the mountain, along the paths, as usual, with their flashlights to assist the pilgrims in climbing the mountain.

Non-sectarian, the service is being planned by the Citizens' Committee headed by James G. Decatur, founder; Clarence F. "Sandy" Pratt, honorary chairman; Reverend Homer K. Pitman, chairman; Lem V. Branson, assistant chairman, and E. W. Sass, treasurer.

The anthem will be sung by the Loring Club Male chorus under the leadership of Eugene Fulton. The Reverend Vere V. Loper, D. D., pastor of the First Congregational church of Berkeley will preach the sermon.

Many Daly City and Colma residents make a practice of attending this Easter Sunrise service, as Mount Davidson is located nearby.

who was a good friend of mine who was dragging out dead and wounded from the building. So I thought I would give him a hand," Smith said casually.

Nevertheless, Smith was among nineteen other members of the Army Air Corps who were awarded the Soldier's Medal for their heroism in saving the lives of many men in the building.

Sergeant Smith's closest call came during a raid over Europe when the four-motored bomber which he was serving as top gunner and flight engineer was struck by enemy fire, putting two of the motors out of action. One of the bullets struck the engine near Smith's position. With two motors gone, the bomber flew 500 miles across the Mediterranean to its home base. On the trip home, the bomber lost altitude steadily, and Sergeant Smith threw overboard many supplies to lighten the load. For this Smith was recommended by the pilot for the Silver Star.

"The most fireworks I ever saw was on the Fourth of July, last year," Smith recalled. "I was in the ball turret (bottom turret) of a bomber on a raid about 2 in the morning when we ran into anti-aircraft fire from the enemy. I never saw so much fire! They were whizzing right past us!"

Before going into service Smith was educated at Daly City schools, and his first award was won before he ever figured seriously on flying in Uncle Sam's air corps. That was the scholarship award by the Daly City Post No. 410, American Legion, while he was in grammar school.

DOUBLE THE CARE

DOUBLE THE WEAR

When you ANSWER PROMPTLY

—you increase the effectiveness of America's war machine!

Every mile of telephone wire, every piece of equipment, is part of America's war machine. War work has given the lines more calls to handle than they have ever handled before. More wires, more switchboards could be used, but to manufacture them would take important materials away from the shooting side of war.

But the existing network can handle far more calls if each call is answered as promptly as possible.

We now handle on the Pacific Coast more than 12,400,000 calls a day. Two seconds saved on each call would enable us to handle over 160,000 more calls daily. That would be an effective contribution to the war effort.

Will you, in home or office, do what you can to help save these important seconds in telephone time?

We appreciate your co-operation.

SNOW PATROL

at J-7

Like the sweep of the hands around the clock, day and night men of this company's Snow Patrol have spent the winter in the high places where hydroelectric power is born. Up and down canyons and ravines and skirting lakes and forebays these men in lonely vigil have followed the mountain freshets, the flumes, ditches and power lines.

SOME OF THESE MEN help maintain feeding stalls for deer in cooperation with the U. S. Fish and Game Commission. From their outpost stations, too, they make daily reports to the U. S. Weather Bureau as to wind velocity, depth of snow, moisture content of the snow pack and other invaluable data.

This last winter there has been added seriousness and determination as they have gone about their tasks. Many have sons in the service. They know the importance of their work today as never before—that there must be no interruption that can be humanly prevented of the flow of electric power that comes down from the mountains to the farms and cities below.

Think of these men of the Snow Patrol when you flip on an electric switch or see the hands of your electric clock sweep around the dial. Day and night they are helping make certain that the lights will not be put out in this part of the world.

SAFEWAY**Easter Food Guide****Bright beginnings for Easter Morn**

Gayly colored eggs, clever little favors, small gifts and a special kind of breakfast—they're all bright beginnings for Easter morning. And Easter offers such a fine theme for entertaining family or friends, for food and decorations seem to just naturally lend themselves to such an occasion.

Even with rationings and restrictions, it's possible to plan a simple breakfast such as the one we have given here—heartily, yet delightfully festive.

FOR AN EASTER BRUNCH

*Easter Sunshine Egg Nests
with Bacon, Sausage or Ham if available
Hot Cross Buns Jelly or Jam
Festive Compote
(Mixed canned or fresh fruit served in sherbet glasses dessert fashion.)
With a Basket of Bunny Cookies
Milk Tea Coffee

The Easter Sunshine Egg Nests are made of bread cases which are made-to-order-food for using unsliced bread. They can be used for creamed dishes as well as for eggs by browning the cases before filling. When you serve them, remember to tell your guests that cases and filling are eaten together.

TO MAKE EASTER SUNSHINE EGG NESTS

Trim crusts off a day-old 1½-pound pullman or large loaf of enriched white or wheat bread. Cut into 6 slices about 2 inches thick. With a sharp knife, hollow out the center of each block of bread, leaving a ½-inch wall on the sides and bottom. Dot inside of the cases with softened butter. Drop 1 or 2 eggs into each case. Season with salt and pepper and dot top with butter. Bake immediately on a cookie sheet or drip pan in a moderate oven (350° F.) 25 minutes or until eggs are set and cases browned. Serve hot on heated dishes. Serves 6. Note: These cases may be made the night before. Bake longer at lower temperature for firmer eggs.

FOR TABLE DECORATIONS

Made-to-order decorations for Easter morning may be real blossoms if you are fortunate enough to have them, or a transplanted bare twig decorated with pastel crepe paper blossoms. Use a small twig with a blossom attached on white cards for place markers. They are gay and spring-like and score another bright beginning.

DO SOMETHING WITH EGGS

And dyed or decorated egg shells have their place on the Easter table, too. Prepare by washing eggs thoroughly to remove oils adhering to the shell. Then crack small end and peel back enough of the shell to permit the egg to drop through. Wash inside immediately with cold water and shell is ready for dyes and trimmings.

1943 License Tabs Should Be Attached To Your Car At Once

Put your 1943 license tabs on your car as soon as you receive them from the California Department of Motor Vehicles!

This request was made today to San Francisco vehicle owners by Gordon H. Garland, Director of Motor Vehicles. Although more than one half of all motorists in the state have received their tabs by mail from the department, thousands, Garland said, apparently have neglected to affix them to their license plates in accordance with instructions.

"The sooner people display their tabs, the sooner we will be able to clean up the 1943 license renewal," Garland explained.

The tabs should be bolted to the upper right hand corner of the license plate, preferably after the cover strip, used in 1942, has been removed, Garland said. Cover strips should be donated to the local scrap metal pile.

The tabs are being shipped out as rapidly as they are received from the manufacturers. Department officials anticipate it will be at least another month before all motorists have received their tabs.

Some Advice For All California Pedestrians

Walk defensively!

With California's "walking" population greatly increased as a result of wartime rationing of motor car mileage, the California State Automobile association urges pedestrians to adopt this watchword and to guard against approaching vehicles at all times. The automobile association advised further that those who walk in traffic acquaint themselves with regulations governing vehicular and pedestrian movement. Important reminders to pedestrians were listed as follows:

1. Do not assume on-coming cars can stop in time.
2. Always use designated cross-walks; don't "jaywalk."
3. Cross with the signals.
4. Be cautious going from curb to safety zone.
5. Keep your head up, vision unobstructed.
6. When walking in dimout areas, wear or carry something white.
7. At all times—be alert.

Some Help With "Difficult Dates"

People who have difficulty remembering dates are in for much worse headaches than ever before, now that rationing has made the "date" all-important.

To make life a little simpler, this newspaper runs a tabulation of those dates which mean food, clothing, tires, and escape of penalties in this column, each week.

April 19—"D" red stamp good during this week.

April 25—"E" red stamp is now valid; expires at a date to be announced later.

April 25—last day to use coffee stamp No. 26 in Sugar Book for purchase of 1 pound of coffee.

April 30—Red stamps "A," "B," "C," and "D" expire.

April 30—Blue stamps D, E, and F, for purchase of rationed processed foods, expire.

May 1—deadline for non-deferable men to get war work or fight.

May 21—last day to use No. 5, "A" coupon for 4 gallons of gasoline.

May 31—last day to use Coupon 12 in War Book One for 5 pounds of sugar.

June 15—last day to use Coupon 17 (in the sugar book) for purchase of shoes (one pair).

Bethel 26 Plans "Advance Night"
